INSTRUCTOR: Jim Volkman, Strategic Energy Group & BetterBricks

Thursday, March 18, 2010

Energy Tune-Up – Addressing Problems with Sensor Error and Simultaneous Heating & Cooling

INSTRUCTOR: BetterBricks Technical Advisor

Wednesday, July 21, 2010

Energy Tune-Up – Optimizing Outside Air Usage & Equipment Scheduling

INSTRUCTOR: Jim Volkman, Strategic Energy Group & BetterBricks

Thursday, September 16, 2010

Energy Tune-Up – Measurement Tools for Building Energy Diagnostics

INSTRUCTOR: BetterBricks Technical Advisor

RENEWAL OF CERTIFICATION: To remain certified, a building operator must accumulate continuing education hours (5 hours/year for Level I and 10 hours/year for Level II) following the date of certification.

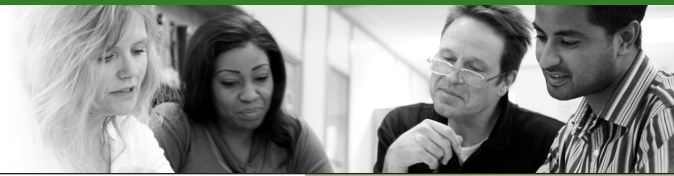

FEE: \$79 for one webinar, \$125 for selected pairs, \$200 for all four events. The fee includes an electronic handout, access to the webinar, and a post-webinar quiz. To earn 1.5 hours continuing education hours towards renewal of the BOC credential, participants must register for the webinar and complete a post-webinar quiz.

NOTE: Registrants may host others at their site at no additional charge, however those wishing to earn the continuing education hours must register individually and pay the fee to receive the credit. Credit is available to only those who register for the session.
