

Employment Opportunity

AN EQUAL OPPORTUNITY EMPLOYER OF MINORITIES, WOMEN, DISABLED, AND VETERANS

We are the Nation's 12th largest public utility, serving over 327,000 electric customers and 19,000 water customers with a work force of over 1,000. Our service territory covers over 2,200 square miles, including all of Snohomish County and Camano Island and is located just north of Seattle. We are currently accepting applications for:

Energy Efficiency Program Manager/Senior Energy Efficiency Program Manager
Job #2014-2221
\$85,000 - \$103,000 Annual (Salary & Title DOQ)

BASIC RESPONSIBILITIES: Provides program and budget management, and oversight for straightforward to moderately complex, energy efficiency programs serving the commercial or industrial markets. Leads cross functional program and budget development and implementation teams, ensuring that assigned program(s) are defined, implemented, tracked, and communicated in a consistent and effective manner. Represents the District at industry events, conferences and stakeholder meetings.

MINIMUM QUALIFICATIONS: Requires BA in Business, Public Administration, Architecture, Engineering or the equivalent combination or related education and work experience; five years progressively more responsible directly related experience with two of those years managing moderately complex projects or Energy Efficiency programs; valid Washington State driver's license.

PREFERRED QUALIFICATIONS: Ten years of project or program management experience, Project Management Certification; experience coordinating with regional and national partners/vendors; experience designing, launching, and managing conservation program(s); experience managing large budget(s); public speaking experience; and ability to work in a dynamic environment.

BENEFITS: Complete benefits plan and retirement program.

TO APPLY: Interested individuals should complete the online application and submit cover letter and resume at www.snopud.com under *Careers* by 5:00 p.m., September 1, 2014.
